**BOARD APPROVES TRUST FUND LOANS AND
ACCESS EASEMENT PURCHASE**

MADISON –The Board of Commissioners of Public Lands (BCPL) today approved State Trust Fund Loans totaling \$501,600 to fund public purpose projects in two Wisconsin communities. Loans approved include:

- Town of Clyman – Dodge County / Refinance other outstanding debt / \$65,000
- Village of Monticello – Green County / Refinance TID loan / \$436,600

In the last 12 months, including actions approved today, the Board of Commissioners of Public Lands has approved 128 loan applications totaling nearly \$77 million. The loans can be made to municipalities and school districts for any public purpose.

The Board also approved the purchase of an access easement in Douglas County. The easement will allow legal access to 80 acres of Trust Lands that are currently landlocked, thereby opening the lands for timber production. The easement also provides access to the public for hunting, fishing, trapping and public recreation.

Created in 1848 by the Wisconsin Constitution, the Board of Commissioners of Public Lands was established to accept federal land grants and to manage Trust Funds for the benefit of public education in Wisconsin. The Board consists of Secretary of State Doug La Follette, Attorney General J.B. Van Hollen and State Treasurer Kurt Schuller. The majority of Trust Fund assets are held in the Common School Fund, from which the majority of State Trust Fund loans are issued. Earnings from this fund are distributed to K-12 public school libraries annually. A total of \$33.6 million was distributed to public school libraries in 2011.
