

\$38.2 million in Common School Fund library aid to be distributed in 2020. An additional **\$5.25 million** will be added to the distribution this year to help Wisconsin School Libraries meet the unprecedented demands being placed on them by Covid 19 outbreak. The Common School Fund was established by Wisconsin's founders in the State Constitution as a permanent trust fund to benefit public education. BCPL invests this endowment in local projects across Wisconsin through the State Trust Fund Loan Program. Earnings from the loan program and other investments are distributed annually to every public school district as the sole state aid for the purchase of library media and resources.
