University Fund Balance Sheet

In 1838, Congress granted to the Territory of Wisconsin the equivalent of two townships, or 72 square miles of land, to be sold to support a university. In 1854, Congress granted an additional two townships of land to benefit a university. Most of these lands were sold soon after Wisconsin obtained title, and no provision was made in the law for adding to the principal of this fund. Therefore, the principal balance of the University Fund has not grown over the years. Earnings are distributed to the University of Wisconsin annually.

	FY 2014	FY 2015
Principal Balance	\$234,129.75	\$234,129.75
Fund Earnings	\$6,973.42	\$6,793.22

Agricultural College Fund Balance Sheet

The Agricultural College Fund was established with a grant of land pursuant to an 1862 act of Congress. Proceeds from the sale of these lands were to be invested in a perpetual endowment fund to support "colleges of agriculture and mechanical arts" in each of the states – our nation's land-grant colleges. The University of Wisconsin's agricultural school was funded with the proceeds.

Vermont Congressman Justin Morrill sponsored the bill and it became known as the "Morrill Act." The Act provided that each state was entitled to 30,000 acres of land for each member of Congress representing the state at that time. Wisconsin had eight Congressional representatives so BCPL received title to 240,000 acres of land under this law. These lands were sold shortly after Wisconsin obtained title, and no provision was made in the law for adding to the principal of this fund. Therefore, the principal balance of the Agricultural College Fund has not grown over the years. Earnings are distributed to the University of Wisconsin annually.

	FY 2014	FY 2015
Principal Balance	\$305,281.65	\$305,281.65
Fund Earnings	\$11,893.20	\$14,658.98

LOANS GRANTED TO MUNICIPALITIES - Fiscal Year 2014

During fiscal year 2014, the Board of Commissioners of Public Lands approved 161 municipal applications totaling \$66,162,408.37. In addition, 185 disbursements to municipalities totaling \$60,609,522.21 were made.

LAND BANK TRANSACTIONS

The purpose of the Land Bank Program was to allow BCPL to rearrange its School Trust Land holdings into more valuable and productive trust assets. Under the Program, BCPL could use the proceeds from the sale of School Trust Lands to acquire different School Trust Lands, but BCPL could not increase its total School Trust Land acreage. This total was capped at 77,845 acres, which was the total amount of School Trust Lands at the beginning of BCPL's Land Bank Authority in 2006. The primary goals of the Land Bank Program are to increase the value of existing School Trust Lands by acquiring public access and improving timberland management by replacing unproductive lands with revenue producing timberlands and improving management efficiencies by consolidating School Trust Lands into larger tracts. All sales and purchases were evaluated based on Board-approved criteria, which comply with the land bank statute.

BCPL SALES - 2013-15 Biennium

County	Purchaser – Transaction Name	Total Acres	Sales Criteria Satisfied
Bayfield	Bayfield County – Hills Mill	40.0	Required by government entity
Douglas	Douglas County - Town of Wascott Property	80.00	Required by government entity / Outside

Federal Flood Control Aid Distributed to Counties

Over the years, the federal government has acquired parcels of Wisconsin land for flood control, navigation, and other related purposes. The federal government grants leases on some of these lands from time to time but these federal lands are exempt from local property taxes. The Federal Flood Control Act of 1954 provides federal aid to compensate local taxing authorities for the loss of property tax revenue on these lands. The total aid is equal to 75% of any lease payments that the federal government receives on these lands.

The BCPL receives this aid from the federal government and passes it through directly to counties without retaining any portion. During the 2013-15 biennium, the BCPL distributed over \$94,000 in federal flood control aid to Wisconsin communities.

	FY 2014	FY 2015
Federal Aid Received	i	\$94,071.28
Federal Aid Distributed:		
Bayfield County		\$3,008.40
Buffalo County		1,005.03
Crawford County		1,560.87
Grant County		35,335.38
LaCrosse County		10,497.83
Vernon County		42,663.77
Total Aid Distributed		\$94,071.28

ⁱ BCPL did not receive any Federal Flood Control Aid in FY2014 due to the federal sequestration. In FY2015, BCPL received \$49,045.28 in flood control money for the previous fiscal year and \$45,026 for the current fiscal year. All of this money was distributed by BCPL in FY2015.
